**Lr. No. 507/SOTC/Spl. Proj/TSMSIDC/2022**

**Dt: 18.04.2024**

Gentleman,

Sub: TSMSIDC- Design, fabrication, installation & commissioning on turnkey basis for the work of establishment of State Organ Transplant Centre (SOTC) in Gandhi Hospital, Sec'bad – Project Team – 3<sup>rd</sup> Notice issued - Reg.

Ref: 1) Lr. Nos. even, Dt: 22.08.2023, 09.11.2023, 22.11.2023, 14.12.2023 & 30.01.2024

2) Lr. No. MAC/A/SOTC/2023-24/037, Dt: 07.02.2024

\*\*\*\*\*

In response to the letters communicated vide ref. (1) from this office; the agency has furnished the details of the Project team vide ref. (2).

The following observations are made on the furnished details:

1) Mr. Vikram Rathore, MA (Project Coordinator):

It is mentioned that, the individual has MA qualification with 5 years experience. Since the detailed CV and supporting documents are not enclosed, it is not clear what type experience the individual has. Dealing technical issues with a non-technical person is becoming very difficult and due to which the project is getting delayed. The same was informed to the agency vide this office letter Dt: 22.08.2023.

It came to our notice that, the above individual is also looking after several projects in southern India and not available at SOTC site most of the time. Due to his unavailability, the site related issues are not getting resolved in time and are piling up due to which the progress of the project is severely affected.

In view of the above, you are requested to demobilize Mr. Vikram Rathore with immediate effect and report compliance.

2) Mr. Saji K, Dip. Mech. Engg., (Project Manager):

It is mentioned that, the individual has 16 years experience. But, the detailed CV and supporting documents are not enclosed.

- 3) Mr. Naresh Kumar, B.Tech, Civil Engg. (Sr. Engineer - site):  
It is mentioned that, the individual has 7 years experience. But, the detailed CV and supporting documents are not enclosed.

However, as per the conditions of contract @ cl. 5.4 of Section-II, the agency shall engage one qualified Engineer/ Site supervisor with minimum 3 years experience (if B.Tech/B.E – Electrical/Mechanical) or 5 years experience (if ITI Dip. – Electrical/Mechanical).

In view of the above, the agency is requested to engage one Engineer/ Site Supervisor with above qualifications immediately.

4) Design Engineers:

The design team deployed by the agency is as below:

- i. Mr. Pankaj Yadav, Dip. in Electrical Engg. – Located at MPS HO, Delhi.
- ii. Mr. Shiva Manohar, B.Tech Civil Engg. – Located at ASTA HO, Hyd.

As per the agreement conditions, the in-house/outsourced design expertise for technical drawings shall be deployed at site during execution. The same was informed formally to the agency through letters Dt: 13.11.2023 & 22.11.2023. But, again the agency has deputed only one Design Engineer at Hyderabad and the other at Delhi. This is causing inordinate delay in finalization of the drawings due to lack of coordination between the two Design Engineers and the progress of work is severely affected. Moreover, the Project Manager, Mr. Saji also has no command & control over the design team.

On 29.02.2024, 15-drawings were returned to the agency along with remarks and requested to resubmit the drawings within 2 days. But the agency has not furnished the drawings till date i.e., even after lapse of 45 days.

Due to the above, the progress of work is getting delayed and also causing mere wastage of resources. These issues shall be addressed immediately.

Hence, the agency is once again requested to take immediate action on the above issues within 3 working days i.e., not later than 22.04.2024 else, action will be initiated as per the conditions of the contract stipulated @ cl.22.2 of GCC.

Sincerely,  
Sd/- (18.04.2024)  
Chief Engineer.

CC:

1. The Superintendent, Gandhi Hospital, Sec'bad for information
2. The Superintending Engineer, Hyd. Circle, TSMSIDC for taking n/a
3. The Executive Engineer, Hyd. Div-I, TSMSIDC for taking n/a
