**Minutes of the Management Meeting held on 01.08.2023 in the chambers of
the Chief Engineer, TSMSIDC**

Sub: TSMSIDC – Minutes of the Management Meeting dt. 01.08.2023 on SOTC Project
and IVFC at Gandhi Hospital –Communicated - Reg.

Participants:

A. From TSMSIDC

1. Sri. P. Rajendar Kumar, Chief Engineer
2. Sri. S. Rama Krishna, Executive Engineer, Spl. Projects
3. Sri. M. Arun Kumar, Executive Engineer, (Electrical)
4. Sri. G. Paul Sunder Raj, DEE, Spl. Projects
5. Smt. Suma, AEE, Electrical wing

B. From M/s Asta Vardhman Consortium & M/s MPS Asta Consortium

1. Sri. Ashok Tatineni, Managing Director
2. Sri. D. Venugopal, Executive Director

I) IVF Centre at 5th floor, MCH Centre, Gandhi Hospital:

1. During the site visit by the MD, TSMSIDC on dt. 15.07.2023 the following instructions were issued, which require action.
 - i. Instructions were issued to the SE/Hyd circle & the EE/RR Div. to rework the work schedules so as to commission the IVFC centre before 10.09.2023.

But the field Engineers have forwarded the work schedule with date of Commissioning as 09.10.2023. The SE is requested to confabulate with the agency to re-workout the schedule to complete it by 10.09.2023.

Action: SE/Hyd & the EE/RR div. within 3 days

- ii. The Executive Director was requested to coordinate with the executives of M/s Rocket Medicals for the Ovum Aspiration Pump & M/s Karl storz for the Operative Laparoscopy to ensure the delivery of the equipment before the timelines, since the agency has represented that, procurement of the 2- equipment is taking longer duration due to logistical issues.

Accordingly, a follow up meeting was conducted by the ED, TSMSIDC on 18.07.2023 and the executives of the above 2 companies were contacted.

The companies have expressed the following:

M/s Rocket Medicals: Mr. Aswin Benegal has informed that, in UK, the Medical Device Directives (MDDs) are now changed as Medical Device Regulations (MDRs) and all the equipment shall be certified accordingly. This may take longer time which is uncertain.

M/s Karl storz: Mr. Ashok Kapoor has informed that, the tendered model is discontinued and the delivery time for the alternate models is 4 months from the date of issue of PO.

In view of the above, the agency was requested to submit alternate proposals for the above 2-equipment so as to place the same before the Technical Committee (TC) for taking a decision.

The agency is yet to submit the alternate proposals in spite of 20 days elapsing from the date of site visit by Managing Director. The Chief Engineer has requested the agency to submit the alternate proposals urgently, latest by 05.08.2023 so as to refer to the TC for a decision.

Action: M/s Asta Vardhman Consortium by 05.08.2023

2. The executing agency has requested to arrange the inspection of materials on site instead of the Pre-Dispatch Inspection at the dealer/manufacturer facility, since it is a fast track project.

The Chief Engineer has agreed to the request and requested the agency to furnish all relevant documents required for the inspection along with the inspection offer letter to conclude the inspections at the earliest.

3. The executing agency has made a requisition to allocate rooms for storage of the equipment/materials.

The Chief Engineer has agreed to allocate the space adjacent to the IVF Centre (i.e., Step down ward) to use as lock & control for storage of the equipment/materials. The EE/RR Divn. to take necessary action accordingly.

Action: EE/RR div.

4. In view of the inauguration programme of MCH building, the executing agency has requested for permission to erect scaffolding for 2 weeks time.

Since the work completion is a time bound programme, permission is accorded.

Action: SE/Hyd & the EE/RR div. to facilitate.

5. The executing agency has requested permission to provide alternate doors instead of medium teak wood doors.

The Chief Engineer has agreed in principle and requested to furnish the proposals within 3 days in the form of a work slip.

Action: the EE/RR & SE/Hyd

6. The Hon'ble Minister has instructed to complete the IVFC @ Gandhi Hospital & make it ready for inauguration by the end of the first week of September 2023.

Action: All the field engineers & the executing agency are requested to strictly adhere to this timeline for completing the work & for making it ready for inauguration in the first week of September month.

II) State Organ Transplant Centre (SOTC), Gandhi Hospital:

1. During the site visit by the MD, TSMSIDC on dt. 15.07.2023 the following instructions were issued, which require action.

- i. **Pre- Dispatch Inspection:**

The Executive Engineer, RR Div. was instructed to finalize the Pre Dispatch Inspection report on 15.07.2023 & to issue the clearance certificate immediately.

The Pre Dispatch Inspection report was finalized & clearance was given on 20.07.2023. Action completed.

Further, the SE is requested to plan & complete the PDI expeditiously for all the balance material also keeping in view the stringent time lines of the project completion & to make ready the SOTC project for inauguration by the Hon'ble Minister in the first week of October. The executing agency is requested to offer all the balance material for the PDI within a fortnight.

- ii. **Finalization of Electrical Working drawings:**

During the site visit, the Executive Director was requested to take the lead for providing the approvals for the Electrical working drawings considering the total electrical load for all the equipments proposed to be commissioned in the SOTC complex consisting of 6-MOTs, 3-TIRs, 3-ICUs, CSSD etc. Action not completed.

The EE (Elec) informed that he has not received the complete list of equipment from the field engineers with the attestation of the Hospital Superintendent & as soon as it is received, all the electrical working drawings will be put up for approval.

Action: The SE, Hyd is requested to convene an urgent meeting with in next 3-days, with the Hospital Superintendent, the EE (Electrical) & with the site engineer of the executing agency to finalise the equipment list. The EE (Elec) is requested to take action for communicating the approved electrical working drawings immediately within next two days.

- iii. **Terrace Water proofing work:**

During the site visit of the Managing Director on 15.07.2023, instructions were issued to the SE, Hyd. Circle to take up the terrace waterproofing work as a deviation item within the scope of the SOTC contract. But the proposals are not received even after 20 days of site visit by Managing Director.

To furnish the proposals within 3-days in the form of a work slip.

Action: the EE/RR & SE/Hyd

2. The agency has informed that, the expansion joints need proper treatment in order to arrest any possible water leakages & it is not within the scope of the agreement. The executing agency requested for specific written orders for taking up this work as a supplemental item.

The Chief Engineer has agreed in principle and requested to furnish the proposals within 3-days in the form of a work slip.

Action: the EE/RR & SE/Hyd

3. The agency has informed that, the tendered quantities for the following items are inadequate:
- Vinyl Flooring, Epoxy Pressure Grouting, Ductable Split Units (DSUs) & Wall cladding in corridors & ICUs.

The SE, Hyd Circle is requested to examine and furnish proposals within 3 days as per site requirements keeping in view the budgetary constraints not exceeding the sanctioned amount in the form of a work slip within 3-days.

Action: the EE/RR & SE/Hyd

The field engineers (SE & EE/RR Div.) are requested to furnish proposals for the revisions discussed above within 3 working days keeping in view the budgetary constraints, the time bound work completion programme, so as to make ready the SOTC project for inauguration by the Hon'ble Minister in the 1st week of October.
